Zevenaar, .... December 2024.

Your Excellency,

I am writing you concerning the case of Oqba Hashad.

The 27-year-old student has been held in pretrial detention since May 2019. Egyptian authorities forcibly disappeared and tortured Oqba. For 16 months they denied him the prosthetic leg he had used since a childhood accident. Held in terrible conditions without adequate healthcare, a new bogus case against him has been opened to justify his continued detention.

I urgently request you to immediately and unconditionally release Oqba Hashad, as his detention is related solely to his brother's human rights activism.

Yours sincerely,
