Zevenaar, December 2025

Dear Prime Minister,

Mother Nature Cambodia has courageously defended the Cambodian environment since 2013. But since 2016, the authorities have repeatedly targeted the group with arrests and prosecution, for nothing more than protecting the environment and exercising their right to freedom of expression. In June 2024, six members of the group were sentenced to between six and eight years in prison. One member fled Cambodia to continue their work, but the remaining five activists are enduring harsh conditions in prisons that are not compliant with international human rights standards. I call on you to immediately and unconditionally release the five detained activists and quash all convictions against Mother Nature Cambodia activists. Nobody should face prison simply for protecting the planet.

Yours sincerely,
