Zevenaar, December 2025

Dear Director General,

In 2021, Damisoa and his family fled droughtstricken Androy due to drought-induced famines. In Boeny, the government resettled them at a site where farming is unviable and access to food, water and sanitation is regularly and severely hindered by fast-moving, crocodile-infested waters. People displaced by famine and now living in Boeny urgently need humanitarian assistance.

I am calling on you to take urgent steps to guarantee the human rights of people displaced and now living in Boeny and across Madagascar and urge you to actively seek the support of humanitarian agencies and other relevant actors to do this.

Yours sincerely,
